

RMMHA Board of Directors:

As a result of some of the discussions that took place at the RMMHA Town Hall Meeting on February 7th, 2013, a committee was formed to discuss the viability of adding a Director of Hockey Operations (**DOHO**) to the current RMMHA management structure. The Director of Hockey Operations Committee (**DHOC**) met on Wednesday, February 13th. There were 15 members present that represent a cross-section of the organization.

Below is an overview of what was discussed.

- The **DOHO** role would be responsible for creating a consistent hockey culture within the Association.
- The **DOHO** role would be responsible for creating transparency with regards to all hockey decisions within the Association.
- The **DOHO** would be responsible for the Hockey Operations from Hockey1 to Midget, Rep **AND** House.
- The **DHOC** discussed the need to proceed in a very thorough but, timely fashion.
- The **DHOC** agreed that, should they recommend this action, the initiative **MUST** be ratified by the RMMHA membership.
- The **DHOC** discussed the need to look at the fiscal implications, as well as various ways to support the initiative financially.
- The **DHOC** began to discuss the potential parameters of a job description for the **DOHO**

Consensus amongst the Committee is that this is a much needed resource for the Association. Questions with regard to the role, financial consideration, and qualifications have not yet been thoroughly examined. As such, the committee will be meeting again next week to hopefully satisfy all questions and begin to lay out the framework for the proposal.
