Dear business owner,

The Ridge Meadows Rustlers hockey program is one of the largest minor hockey associations in BC, with 60 teams and over 1000 kids playing hockey in our community. The U13 A1 Rustlers are hosting the 2022 BC Hockey Championships from March 19-23, where six of the top U13 teams in the province will compete. As an association, we endeavor to make it a first-class tournament. We are reaching out to the community to help make that happen.

The Championships will draw in a large number of players, families and spectators to Maple Ridge and Pitt Meadows. We would love to introduce the attendees to our local business community and this presents a great opportunity for businesses to offer “tournament specials” to attract patrons. Each player and their family will receive a welcome package where we can include coupons for your special offer. In addition, we will list each participating business in the tournament program.

We are grateful for your consideration of our request for support. **All commitments of special offers must be received by March 4.** Please contact me if you have any questions or have an idea you would like to explore further.

Sincerely,

Adrienne Roberts
