### What has been your greatest accomplishment since being a member of the Board?

This year I was elected into a Director role for a 2 year term. About 2 months into the new season (around end of May) the VP of Administration resigned leaving that position open. I gave up my two year Director term to take over the VP Admin role for the rest of the year to provide some continuity in the position as I had previous VP experience on the Board. While there was a lot to learn on the Admin side of operating the Board, I am most proud of keeping the Board on the tracks in terms of policy decisions and being financially responsible. We had many Board members who had not been on the Board for a "normal" hockey season and I was able to assist them in their roles and provide historical reference for how some things were done and also support the changes they wanted to bring into RMMHA based on things not having worked well in the past.

#### What do you hope to achieve while on the Board of Directors of RMMHA?

My goal is to continue the direction that this Board has taken in the past year and provide continuity in the position. This is very important as the VP Admin role works closely with the Registrar, Treasurer, and General Manager to ensure we are staying fiscally responsible while managing the membership needs. I want to put further checks and balances in place for payment of our contractors to ensure that we are getting the most out of them while managing the cost side of the ledger in a responsible manner. I would also like to continue the increased level of communication that was present for our members this year and include some town hall type sessions where the Board members are present for the members to connect with and be present to answer any questions members might have.

## What Volunteer activities within RMMHA have you had in the past few years?

Team Manager x 6 teams - U7-U13

Division Manager - U9

Vice President C Hockey - RMMHA Board

Covid Officer - RMMHA Board
