Position you are currently interested in:

Director at Large (2 year term)

Why do you want to join the Board of Directors?

I have really enjoyed getting active in volunteering with the RMMHA hockey community over the last few years, from team manager to division manager, and feel I can contribute to the board development and progress in future years.

What do you hope to achieve while sitting on the Board?

I would like to see further development and organization brought into the volunteer roles and communications to streamline roles and responsibilities and ensure there is clear guidance, mentorship, and information for volunteers and families.

What makes a great Board member?

A passion to give back to the community, willingness to commit time and energy routinely to the board, and skills and qualifications to fill out niches that could be missing in order to round out gaps in boards, and ensure continuity and succession planning is in place for future directors.

How many hours can you commit to the Board of Directors?

As needed for the role(s) I take on.
