Dear Business Owner,

The Ridge Meadows Minor Hockey Association (RMMHA) Rustlers hockey program is one of the largest minor hockey associations in BC, with 60+ teams and over 1100 kids playing hockey in our community. This season, we are proud to host the U15 Tier 1 2026 BC Hockey Provincial Championships from March 14th to 18th, 2026, where eight of the top U15 teams in the province will compete. As an association, we endeavour to make it a first-class tournament. We are reaching out to the community to help make that happen.

The BC Hockey Championships will draw in a large number of athletes, families, and spectators to Maple Ridge and Pitt Meadows. We would love to introduce the attendees to our local business community and this presents a great opportunity for businesses to offer “tournament specials” to attract patrons. Each player and their family will receive a welcome package where we can include coupons for your special offer. In addition, we will list each participating business in our tournament program.
